In 1990, a pumpkin weighing 816 pounds was grown in Wrightstown, NJ. We thought it would be a great idea to show you an actual size picture. Unfortunately, as you can see, we're having a little trouble fitting the whole thing into this little space.

Open 7 Days a Week: 9 AM - 10 PM

"Trick or Treat for UNICEF" began in 1950 when a Philadelphia youth group concerned over the plight of the world's children took up a door-to-door collection. This began the tradition of "Children Helping Children." So this Halloween, when a cowboy, witch or monster rings your doorbell and says "Trick or Treat for UNICEF" don't be afraid. Because underneath that scary costume is a heart of gold.

Volunteering!

Did you get scared?

Sometimes the thought of making commitments and sacrifices can make us feel a little anxious. It can mean getting up earlier than planned on a Saturday morning or missing a favorite soap opera or sporting event.

Most likely it will put us face to face with people who have special needs due to age, disabilities or life's misfortunes.

You will often have to dig deep into your bag of good qualities and show patience, compassion and understanding.

The world is full of needy people who have been waiting for someone like you. I think you're ready for the challenge?

Would you like to help or do you need help?

Each issue of The Town Kaleidoscope will publish volunteer opportunities and the names of people who want to volunteer in a special situation. Listed below is the first person who responded to a similar article in the last issue. God bless you Elaine for having the courage to take the challenge.

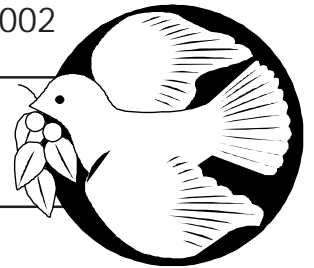

If you are an individual or a non-profit organization who could use help, please contact us with the details. Maybe you're in need of someone to take you to the store or to a doctor's appointment. Or maybe you are lonely and would just like to know someone with whom you could have a friendly chat once in a while.

If you are an individual looking to volunteer your time and talent, please write and let us know what you would like to volunteer for and when you would be available.

Please send information, including your phone number and permission to publish your request to:

The Town Kaleidoscope, PO Box 1939, Bayonne, NJ 07002

Are you an elderly person who needs shopping or other errands done for you on the weekend? If so, call Elaine at 823-3946.

Elaine is only one person and understandably will probably only be able to assist one person, but hopefully this article will inspire others to get involved.

“It is one of the beautiful compensations of this life that no one can sincerely try to help another without helping him or herself ”
